

Request for Council Action

Originator City Clerk	Item Proposed License and Permit Fee Changes
Agenda Section Ordinances: Public Hearing	Date 4/20/2015
Description	

The Council is asked to consider and approve an ordinance changing various license and permit fees. Staff annually reviews all fees for adjustment to assure appropriate relationships to program costs.

Staff mailed notices to all current licensees regarding the proposed license and permit fee changes, including an invitation to an administrative informational meeting and the City Council public hearing. The informational meeting was held on April 7, 2015. No licensees attended the meeting and no phone calls have been received regarding the proposed fee changes.

Requested Action

Staff recommends that the City Council take the following actions:

1. Approve the attached ordinance concerning fees charged for various licenses and permits.
2. Approve the attached resolution authorizing the summary publication of the ordinance.
